POCKET DOOR SYSTEMS

# Introducing **flusso.** by LPD Doors

Our amazing range of internal pocket door sets, kits and accessories. The range offers two types of internal pocket door systems, our current pre-assembled set and our all new self-assembly kit system. They allow doors to disappear effortlessly into your wall, letting you make the most of the space in your room. Pairing this unique system with an LPD Door has endless possibilities to add a feature to your home.

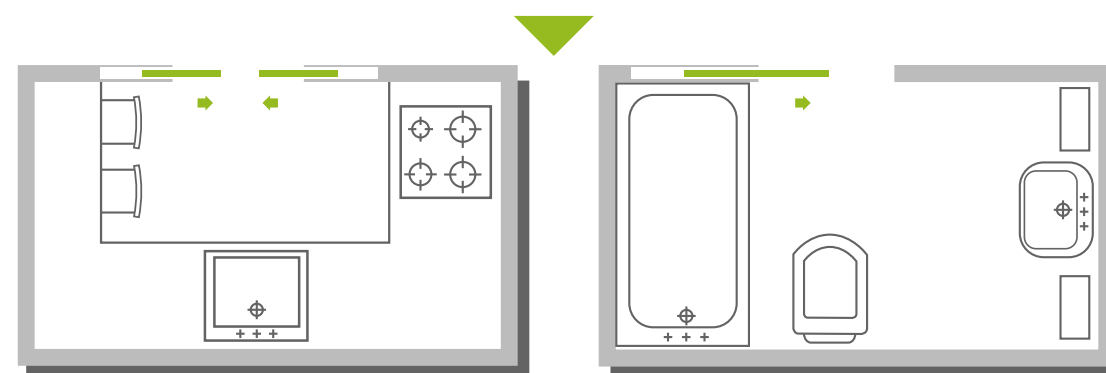

## Gain space with our innovative pocket door systems

YEAR  
GUARANTEE  
HANGER SYSTEM

Great for smaller projects, this pocket door kit is easy to assemble and typically takes around 30 minutes to install. This contemporary pocket door kit can be combined with the majority of our door range and is the perfect space saving solution!

- Space Saving
- Self-assembly kit
- Suits doors 35 or 40mm thick dependant on set purchased
- Max door weight 120kg per leaf
- 125mm finished wall
- The double kit pocket door solution is created from two singles kits joined together using the junction tongue supplied with each single kit. A double door timber pack is supplied which has a longer crosspiece.

## Single Pocket Door

# Choosing the right Pocket Door system

Your requirements will help you decide the correct pocket door system. See below to discover the advantages and benefits of each.

## flusso. Kit\*

The perfect solution for when there is not much space available in your home. Great for making your room styles more flexible resulting in a brighter space. Our Flusso Kits are a practical system designed to work in partition walls. Guaranteed to add effortless style. This kit is compatible with the majority of LPD doors.

- Ideal for small projects such as home renovations
- Self-assembly kit
- 30 minute installation time
- Available for wood and glass doors\*
- Suits doors 35 or 40mm thick dependant on set purchased
- Maximum door weight 120kg per leaf
- 7 pieces in 1 kit to assemble a unit
- Drywall screws included
- Compatible pocket door hardware available
- 125mm finished wall
- Two single kits can be joined together to create a double pocket door, please see more info on page 4

Cost effective solution

Oak Melbourne shown with Scorpio Matt Black handle

\*Please note: Doors are sold separately. Please check with LPD for what doors can be used with this kit.

## flusso. Pre-Assembled Set\*

A neat and contemporary solution, pocket door systems are ideal for anywhere you don't want a door encroaching into the room. Make the most of your internal space! Our Flusso Pre-assembled Set is a convenient system which contains a cassette like structure for ease of installation. This set will work with the majority of LPD doors.

Available for Single or Double Doors

- Can be used for large scale construction projects or home renovations
- Rapid installation time, completed within 15 minutes
- 125mm finished wall
- Available for wood and glass doors\*
- Suits doors 35 or 40mm thick dependant on set purchased
- Maximum door weight 120kg per leaf
- Sides of the metal box are made using single corrugated steel sheets giving the structure extra rigidity
- No frame deflection
- 60 screws included for precise fitting
- Compatible pocket door hardware available

\*Please note: Doors are sold separately. Please check with LPD for what doors can be used with this set.

# Pocket Door Handles

Adding the finishing touches to your pocket door is what will make the final impression to your interior. Door accessories are as much significant as the door itself and will transform the look of your pocket door.
